OBJECTIVE

Skilled Computer Science student with expertise in C, Java, Python, AI, full-stack development and Object Oriented Programming. Seeking an internship in software engineering.

SKILLS

- **Programming Languages:** C, C++, Python, Java, SQL, Assembly, Rust (Beginner)
- **Full Stack Development:** Spring Boot, React, HTML, CSS, JavaScript, MongoDB, Django, PostgreSQL, Oracle Database
- **Core Concepts:** Data Structures & Algorithms, Deep Learning, Computer Networks, Operating Systems, Cryptography, Software Engineering
- **Soft Skills:** Problem-Solving, Communication, Team player, critical thinking, multitasking
- **Other Skills:** Earned a certificate in "Fundamentals of Accelerated Computing with CUDA C/C++" by NVIDIA, AI, Tensorflow, NumPy, pandas, machine learning, Neural Networks, [GitHub](#)

COURSEWORK

Object-Oriented Programming (OOPS), Computer Architecture, Database Management Systems, Computational Intelligence and Soft Computing Paradigms, Compiler Design, Parallel Computing and Programming

Summer Intern | SPARC Pvt Ltd

- Developed an **Attendance Management System** using Java Spring Boot and SQL, with a frontend in HTML, CSS, and JavaScript used by the company.
- Built an **ML-based Twitter Sentiment Analysis** tool utilizing Scikit-Learn and pandas for data processing, feature extraction and machine learning.

PROJECTS

- **Image Classification Model:** Developed it for a course project as a team using Django (backend) and React (frontend). I used a ConvXGB model, combining VGG-16 for feature extraction and XGBoost for classification using a large scale image dataset from kaggle.
- **Hand recognition Google extension:** developed it using Native Hosted messaging and mediapipe module in python for YouTube hand gesture controls.

EDUCATION

Manipal Institute of Technology, Bengaluru

September 2022 - Present

- Recipient of an **Academic Scholarship** for outstanding performance.

EXTRACURRICULAR ACTIVITIES

- Swimming, Taekwondo, Tennis
- **Chief Editor** of *Magnolia*(College Magazine) and *The Mahe Beacon*(College Newsletter)
